

Job Shadows

High school students interested in a career in zoo keeping or zoology are encouraged to submit an application for job shadowing at the Mill Mountain Zoo. Through this program they will gain a better understanding of this challenging but rewarding career.

Space for this program is limited and assignments will be made on a first come, first serve basis. A completed application and brief letter of interest are all that are required to get started in this program. Please read the information provided below to decide if Job shadowing at the Mill Mountain Zoo is right for you.

What will I do on a job shadow?

No two days are alike at the zoo, so every job shadow is a unique experience. You will be assigned to a zoo keeper who will take you along on their daily rounds as they clean and feed zoo animals. Depending on the type of animals they care for, you may be able to help prepare food, deliver food, and assist with cleaning. Job shadow students are not permitted to work with dangerous animals like snow leopards or Japanese macaques.

What should I bring?

Most importantly, bring your enthusiasm and love of learning. Zoo keepers work outdoors in all types of weather, so please dress comfortably and appropriately for the weather. This includes close toed shoes (sandals are not permitted), jeans or khakis, shirt, coat or jacket if necessary. Don't forget a hat and gloves if it's cold outside.

Also, be prepared to make the most of your job shadow by bringing a list of questions you'd like to ask the zoo keeper.

Who can apply?

Job shadows are open to high school students in grades 9-12. The shadow should have an up-to-date tetanus vaccination and must have a copy of written results of a negative intradermal tuberculosis (TB) test from within the last year, prior to the job shadow experience.

When should I apply?

Allow at least 4 weeks for the application and scheduling process. Be flexible. We may not be able to accommodate the exact date you request.

Is there a fee?

Job Shadows are offered free of charge as a service to students in our community.

How do I apply?

1. Request an application from our Education Manager, Bambi Godkin at education@mmzoo.org.
2. Choose the zoo area you'd like to perform your Job Shadow in from the list below. Read carefully and note days and times that the Job Shadows are offered.
3. Mail your completed application form and letter of interest at least four weeks in advance of your anticipated job shadow date to
